

# Spring 2021 EYFS

## Personal, Social and Emotional

We will learn about real life heroes who help us. We will continue to follow the school rules and understand how we can be a good friend. We will talk about our talents and what we are good at.

## Communication and Language

We will engage in small group activities to develop our listening and speaking skills. We will share stories and rhymes. We will describe and retell familiar stories. We will listen carefully to each other and build up new vocabulary. We will be encouraged to develop our talk within role play. We will talk about our families and events that are important to us.

## Physical Development

We will continue to develop our pencil grip to make us good writers. We will continue to do dough disco and write dance. In PE we will continue to build on our self-care needs and build on our independence looking after ourselves.

## Trips and Experiences

We will hopefully be able to listen to some real life super heroes including fire fighters, police officers, doctors, nurses and the lollipop person.

# Superheroes

## Literacy

We will continue to do Read Write Inc to learn phonics everyday. We will use our phonic knowledge to write in simple sentences using capital letters, finger spaces and a full stop.

We will read books that have superheroes in including Supertato, Nat Fantastic and Superworm.

## Mathematics

We will continue to learn numbers to 20 and will use Numicon to understand place value. We will solve simple addition and take away problems using objects. We will compare the lengths and heights of different objects and begin to measure length using non-standard units. We will create repeating patterns and will continue to use language linked to space, shape and measure.

## Understanding the World

We will find out about people who help us in our community. We will explore different materials and go on a hunt for objects that are magnetic. We will observe the changing seasons and we will celebrate Chinese New Year. We will use Mini Mash on the iPads and learn about direction using programmable toys.

## Expressive Arts and Design

We will design and create our own superhero puppets and superhero masks.

We will create dragons and lanterns when we learn about Chinese New Year.

We will continue to explore instruments and music.
