

Reception Homework Menu—Summer 2

Adventure Under the Sea

Try to fit in these 5 minute
tasks every day to help with
your learning

Every Day:

- ◆ Dress and undress yourself.
- ◆ Practise your Read Write Inc speed sounds.
- ◆ Read your Read Write Inc. ditty or book.
- ◆ Enjoy a bedtime story.

Pick 'n' mix

Choose 3 items from the boxes below to complete in your homework book. The first piece is to be handed in by Friday 18th June. the second by Friday 2nd July and the third by Friday 16th July latest, but you can hand in your book at any point.

Please could you record any observations or videos on 'Evidence Me', so that we can add this to the learning journey for your child.

Mathematics

Please practise reading and ordering numbers 1-20. Can you say one more than and one less than a Number? Can you measure how tall you are and how big your hands and feet are? You could measure how many Lego bricks or pencils tall you are.

Personal, Social and Emotional

Talk with your grown up about moving into the year 1 class.

Talk with your grown up about how to stay safe around water, including at the swimming pool and at the seaside.

Expressive Arts and Design

Draw or make a collage of an under the sea picture. You can use whatever you choose, including paint, sparkly paper and glitter.

Literacy

Can you use the internet or books to find out 4 facts about an under the sea creature. Can you draw a picture of the sea creature and some simple sentences to describe it, for example:

It has sharp teeth.

It can swim fast.

It has fins.

Communication and Language

Can you find out 3 facts about different creatures that live under the sea to talk about with your grown up. For example, some sea creatures have fins and some have legs.

Understanding the world

Look around your home to find objects around your house that will sink or float. Can you test them to see if they float or sink?

Physical Development

This half term we are focussing on throwing and catching in PE. How many times can you catch a ball without dropping it?

You can find out about healthy eating and make a list of healthy foods.

Please practise holding your pencil correctly.

You could watch, read or listen to:

Numberblocks and Alphablocks on you tube.
